Grenlec Discount = \$15.08CR
Your bill shows a COVID-19 relief discount above from Government and Grenlec on your electricity charges (non-fuel & fuel ONLY) for the bill issued in Apr. 2020.

- Fuel charge is at its lowest in more than 2 years — customers are paying the lowest rate since January 2018.
- In addition, the Government of Grenada and Grenlec are providing a COVID-19 relief discount.
- This discount is 30% of most customers' electricity charges (fuel + non-fuel amounts) on bills issued in the previous month.
- This discount is for 3 billing periods — April, May and June, but will be shown on bills issued in May, June and July.
- Customers should pay the **TOTAL AMOUNT DUE** on the bills — the discount is applied before the bill is printed.
- The discount is clearly displayed as a pre-payment (credit) on bills issued in May, June and July. Grenlec's discount will be shown as **ADJUSTMENTS**, while Government's will be indicated as **COVGVT DISC**.
